Below is a letter from the Manufacturer:

Dear Valued Customer:

Hostess Brands, LLC has become aware that some of its Raspberry Zinger products contain additional moisture that may lead to mold prior to the best by date.

As a result, and out of an abundance of caution, Hostess Brands is voluntarily withdrawing the following Raspberry Zinger products that were shipped to you.

This only affects the Single Serve frozen products with the batch numbers listed below.

As you manage any distribution center and store level product withdrawals, we recommend that only those stores that pull from the impacted distribution centers be notified.

You should immediately discontinue selling or distributing these products and destroy all such products.
